

QE20

QE20-FP2012
QE20 16WIP Extender Module Kit (8WIPs fitted)

The **QE20-FP2012 16 WIP Extender Module** may be used as an expansion user interface module, or as a replacement for an existing module in the field.

NOTE: The QE20-FP2012 16WIP Extender Module is supplied with only 8WIPs fitted, so if more than 8 sets of controls are required on a module, then a QE20-FP2022 8WIP Expansion Board will also be required.

Each kit contains:

- 1 x 16WIP Extender user interface module
- 1 x QBus 4way power/comms loom, 475mm long
- 4 x M4 x 10mm mounting screws
- 2 x Slide in labels for zone/WIP
- 2 x cable ties
- 1 x Earth loom, 450mm long
- 1 x Installation guide

Mount Extender Module with four M4 x 10 screws provided with module.
